We authorize Atlas Towing Services Inc. (*Atlas*) to remove any unauthorized vehicle from the property listed above / attachment. The removal of vehicles located on private property is compliant with Section 22658 of the California Vehicle Code (CVC). *Atlas* will not remove any vehicles from said property unless written authorization is given at the time of removal. All vehicles must be inspected and documented for previous damages before removal. All charges/fees associated with towing and storage will be charged to the vehicle owner unless *Atlas* has deemed the vehicle as abandoned or junk. If the vehicle is abandoned or junk, a \$250.00 fee per vehicle for the towing and disposal will be billed to the authorizing business.

Atlas notifies law enforcement of the removal, but by law the property owner or agent must also contact the local traffic law enforcement at 415-553-1239 within 1 (one) hour after authorizing the tow.

The agents listed below are also authorized to have vehicles towed.
